

Attention: Donations Department

Dear Friend,

The Lions clubs of District 19B in the Seattle, Washington area would like to invite you to support our annual auction which will be held on Saturday evening, February 7, 2009. We ask that you consider donating to our live or silent auction, the proceeds of which will go to further the work of our local Lions clubs. A gift certificate or any other article would be very much appreciated.

Since 1917, Lions clubs have offered people the opportunity to give something back to their communities. From involving members in projects such as sponsoring the Lions Health Screening Unit that offers free health screening to the public, to providing eye glasses and hearing aids to those of limited incomes, Lions clubs have always embraced those committed to building a brighter future for their community.

Today with more than 1.3 million members in 201 countries and geographical areas, Lions have expanded their focus to help meet the ever-increasing needs of our global community. Our programs are continually changing to meet new needs and greater demands, but our mission has never wavered: "We Serve."

Thank you for considering supporting our auction. Items may be mailed to my attention at:

Warm Regards,
