Hello dear friends.

District Meeting for Hearing. We routinely have a district level meeting for Hearing representatives around once a quarter, usually at the Lake City Community Center. On June 5th we will have our next meeting, but this time we will hold it at the Northwest Lions Foundation office in Seattle. The meeting will be at 6:00 pm and will conclude by 8:00 pm. Free parking is available in the building at 901 Borne Avenue. I will be attending and would enjoy company. If anyone would like to go with me, please let me know. It's a good chance to visit the Foundation and see where your White Cane money went to.

Hearing Loss Training. The Camano Island Senior and Community Center on Arrowhead Road will host a training seminar on hearing loss. I have signed up for it, but will be out of town and unable to attend. It's very important that we continue to gain more education in both the sight and hearing areas. Wednesday, June 14th, 12:45 to 2:30 pm. **Can anyone attend this session?** Please let me know. Thanks.

Installation of New Officers. This important evening will be our second meeting in June and will be held at the Camano Island County Club on Wednesday, June 28th. Charges will be \$20 per meal for either Salmon or Prime Rib. The rest of the menu will be a table salad, green beans, mashed potatoes, roll and butter and dessert. Just like the Christmas party, we will pay at the door so please already have your checks made out. As of this date I see a large number of gaps in Pat's sign up sheet so please be sure to get signed up at the June 7th meeting, send Pat an e-mail at metzwps@camano.net or give him a call at (360) 387-8512.

Normal meeting hours with social hour from 6:00 - 7:00 pm with the dinner and installation ceremonies following.

Baseball Trip. July 7th, Friday night versus Detroit Tigers. \$35 per person which includes bus transportation and light snacks and beverages to and from the stadium. We will be leaving from the parking lot behind the Police station with a firm departure time of 4:30 pm. At this time there are still a few seats and tickets left and we will be extending our offer to our Lions Clubs in Arlington and Mount Vernon. If you want to get one or two of the remaining seats, please let Jim Adamson know immediately and bring a check for him to the June 7th meeting.

The American Cancer Relay for Life walk. The Stanwood-Camano Relay for Life is June 3rd & 4th at the Stanwood High School track. The event will start at 3:00 PM on Saturday and conclude at 9:00 AM on Sunday. The Lions to date have turned in over \$900.00 not including the \$500.00 donation that the club gave. Any team members that still have monies to turn in can do so the day of the event or give the contributions to Oisteen to turn in. All Lions that are available to walk as a group after the opening ceremonies should bring their vests for those laps. Here's the schedule of walkers who have signed up to walk during the relay.

Collection Table at IGA. I have a confirmed acceptance from the IGA to have a table at the entrance of the IGA on Friday, June 2nd. I will have the table there from early morning until dusk that evening. That's a long stint and I would enjoy company to take a bit of that workload. If anyone can take a couple of hours, please let me know. This will be a dedicated American Cancer Society event, but I will have information available on the Club too.
