

Dear host family,

My name is Bruno. I was born on the 29th of March 1999 in Brescia, one of the biggest cities in Italy.

I would like to tell you a little about my family and myself. I live in Sale Marasino, a small village in the north of Italy, with my mother Rossana, who's 57 years old, and my sister Elba, who's 17. I also have two brothers, Lorenzo (37) and Bernardo (24). My father Norberto is 60. He lives and works in Spain.

I attend a scientific high school in Iseo, a small city nearby Brescia.

I like to play basketball, but sailing is my true love. I enjoy swimming, diving and practicing any kind of sport.

I like to spend my free time with friends, playing videogames or playing basketball.

This will be my first experience with Lions Club and I hope it will be a very exciting one!

I am looking forward to meet You!

Sincerely Yours

Bruno
